

## Genres and Subgenres Presentation

**Directions:** Work alone or with up to two other people to answer the following questions. Answer all questions in complete sentences. Each student must submit their own answers. Your answers will be presented to the class.

1. What subgenre of music you are studying? What is the genre of music that it fits into?
2. What are the unique characteristics of your subgenre? How would someone identify the subgenre?
3. Who are (up to) 3 of the most famous artists within your subgenre?
4. Where did the subgenre of music originate?
5. When did the subgenre originate?
6. Where has the subgenre been most popular?
7. What 2 YouTube videos best represent your subgenre?
8. Name one thing you like and dislike about your subgenre.
